DEPARTMENT REPORTS

Chief Mike Smith – Last month we had about 230 calls for service and nine arrests. Four of those arrests were theft related and five of them were warrant related. We are doing some research on a public disclosure program

Fire Chief Noah Halm – We had a couple chimney fires so make sure you are checking your chimney's

City Administrator Sandy Wells – We received notification from the mayor that Jonathan Lewis is replacing Miland for the Columbia Housing Authority

COUNCIL BUSINESS

Lodging Tax Application Funding Recommendation by Council Member Andy Halm- The Event Committee has reviewed the submitted applications (please see attached applications) on January 26th, 2026. The committee collectively lowered all application amounts by 20% for each application amount requested with the exception of the Chamber of Commerce and the Brighter Goldendale Christmas Committee.

Council Member Steve Johnston – Questions the amount of money that is given to the Chamber of Commerce

Council Member Danielle Clevidence – Was concerned about the dollar amount that was given out this year

Council Member Nathaniel Hill – Suggested implementing a different stricter application depending on the monetary value

Council Member Danielle Clevidence – That could be talked about in an events committee meeting, and they could bring that back to council

Motion: I move to approve the funding of the Lodging Tax Applications as presented,

Action: Motion, **Moved by** Council Member Nathaniel Hill, **Seconded by** Council Member Brian Paul

Ayes: Council Member Danielle Clevidence, Council Member Brian Paul, Council Member Theone Wheeler, Council Member Andy Halm, Council Member Nathaniel Hill, Council Member Loren Meagher

Nays: Council Member Steve Johnston

Abstain: None

Motion Passed (summary: Ayes = 6, Nays =1, Abstain =0)

Ordinance Committee Update by Council Member Daniel Clevidence- The Ordinance Committee met on January 13, 2025 to discuss Ordinance #1552 changing the speed limit on 21st street to 15 mph. The Ordinance Committee has a recommendation they would like to present to council for a consensus in regard to 21st Street. They recommend adding two stop signs, one at Benson Ct and the other one at Chatfield. That will help negate some of the issues that are happening there and also a flashing speed sign east of Benson Ct. on 21st Street and keeping the speed limit at 25mph

Council Member Andy Halm- Doesn't believe the stop signs will help that the speed limit needs to be lowered

Council Member Brian Paul – Agrees with Andy but does think the stop signs will be a big help

Council Member Steve Johnston – With the street not being very wide and having cars parked on both sides would like to see crosswalks

Council Member Danielle Clevidence – In the ordinance committee meeting we talked about construction moving forward to have wider streets as long as it meets the criteria so we would not lose our TIB Funding

The Council gave consensus to move forward with two stop signs and a flashing sign

Council Member Danielle Clevidence – The other thing that was talked about was changing the speed limit from N. Columbus from the bridge overpass for the Little Klickitat River to North of the City limits back to 25mph. It is the only place within city limits that is over 25mph and there is a line of site issue when coming off Byers or High Street that makes it difficult for people to see

RESOLUTIONS

Res No. 750 – Property Surplus by Noah Halm - The Fire Department wishes to surplus a fire command vehicle that is a 2008 Ford Explorer. The city of Bingen Fire Department has agreed to accept the surplus command vehicle in its “as is” condition.

Motion: I move to adopt Resolution No. 750 to surplus a 2008 Ford Explorer, **Action:** Motion, **Moved by** Council Member Steve Johnston, **Seconded by** Council Member Brian Paul
Motion Passed Unanimously

ORDINANCES

No Ordinances

REPORT OF OFFICERS

Council Member Steve Johnston – Wanted to touch base with Noah about the fire situation

Fire Chief Noah Halm – The County got a grant last year and they have a company that uses a computer system to light fires in certain areas to show where the fire would spread to. We just got done with that, so I am hoping very soon to have a presentation for council

Council Member Theone Wheeler – Wanted to know if we have a presentation set up for the 5G Safety and also about the County grant for the animals.

City Administrator Sandy Wells – I am waiting for an email back then we will schedule it in March. We met with a commissioner about the grant they were waiting on one of the departments to give them a budget and a plan for how it would be ran. They said they would get back to us

Council Member Andy Halm – On Valentine Day at the American Legion at 6pm the Goldendale Pride Alliance is putting together an adult prom all are welcome

Council Member Nathaniel Hill – Wanted to thank the city for having us go to the AWC Event it was very beneficial and would like to have further discussion about that as a group

Council Member Danielle Clevidence – May 2nd is the citywide cleanup if you would like to help with that, please contact me. City Action Days were fantastic we had some great discussions with both our representatives and the senator. Dave wanted to say thank you and to express his appreciation to everyone for all the prayers

OPEN PUBLIC COMMENT

Sherry Bloodgood, Goldendale – Wanted clarification on where exactly the right of way is and the proper procedure for disposing a deceased cat that is not in the right of way

Chief Mike Smith – Anything from your house up to the curb is your responsibility and Republic does take deceased animals, or you can bury them in your yard

ARTICLE I-PREAMBLE

1.1 This Collectively Bargained Agreement hereinafter referred to as the "CBA" is between the City of Goldendale, hereinafter referred to as the "Employer," and Council 2, Washington State Council of County and City Employees, representing Local 1533-G, American Federation of State, County and Municipal Employees, AFL-CIO, hereinafter referred to as the "Union."

1.2 The purpose of the Employer and Union in entering into this CBA is to set forth their entire CBA with regard to wages, hours and working conditions so as to promote efficient operations; the morale and security of employees covered by this CBA; and harmonious relations giving full recognition to the rights and responsibilities of the Employer, the Union and the Employees.

ARTICLE II - RECOGNITION AND CHECK OFF

2.1 Exclusive Bargaining Agent: The CBA recognizes the Union as the sole and exclusive bargaining agent for all regular full-time and regular part-time non-uniformed Municipal Employees, excluding management personnel and elected officials, in the maintenance division as certified by the Department of Labor and Industries, Case No. SK 1448; and in City Hall, including the non-uniformed Police Department Employees as certified by PERC on July 7, 1993, Case No. 10519-E-93-1739 (adjusted in 1997 to comply with RCW 41.56.430). The Union and Employer agree that the Non-Uniformed and Uniformed contracts shall be bargained separately, and that no Non-Uniformed bargaining unit member shall participate in uniformed personnel negotiations or mediations.

2.2 Recognition of WSCCCE, AFSCME: The Employer recognizes the WASHINGTON STATE COUNCIL OF COUNTY AND CITY EMPLOYEES/AFSCME Council 2 and its affiliated Local (hereafter Union) as the sole and exclusive bargaining representative concerning wages, hours, and other conditions of employment for employees described in the recognition clause.

2.3 Joining the Union: All employees in this bargaining unit have the right to voluntarily join the Union. The Union as the Exclusive Bargaining Representative agrees to carry out its responsibilities under RCW 41.56.080.

2.4 Questions about Union Membership: If an Employee has questions about Union membership, the Employer will remain neutral and direct the employee to discuss this topic with a Union Staff Representative. The Union's Staff Representative shall address the employee's inquiry as soon as possible.

2.5 Signed Dues Deduction Authorization: Current Union members and those who choose to join the Union Group and pay monthly dues via a signed payroll deduction authorization will have their dues deducted once each month from their pay by the Employer. The signed payroll deduction authorization may be submitted electronically or by paper writing. The deduction will begin in the payroll period after submission of the due's deduction authorization card or as soon as administratively possible if not submitted with enough time to make the next payroll period.

2.6 Amounts Deducted: The amounts to be deducted shall be certified to the Employer by the Union and the aggregate deductions shall be remitted to the Union together with an itemized statement including the employee name, department, hours worked, monthly base wage and the amount of Union dues deducted, after such deductions are made. If an employee terminates his/her employment on or before the 15th of the month, dues will not be deducted for that month; if the termination is after the 15th, dues will be deducted. The Employer shall honor the terms and conditions of each employee's authorization for payroll deduction. The Employer shall continue to deduct and remit Union dues and fees to the Union until such time as the Union notifies the Employer that the payroll deduction authorization has been properly terminated in compliance with the terms of the authorization for payroll deduction executed by the employee. The Employer is not a party to the authorization for payroll deduction as that is between the employee and the Union.

2.7 New Employee Orientation: These provisions shall be carried out in conformity with RCW 41.56.037. The Employer will provide the Union with information about new hires within a reasonable period of time from the date of hire. A Union official shall be granted up to thirty (30) minutes to provide each new employee a basic overview of the employees' rights and responsibilities regarding Union membership and dues authorizations.

2.8 Defense, Hold Harmless and Indemnification: In regards to all the provisions of this Article, the Union agrees to defend, indemnify and hold harmless the Employer from any and all claims, demands, lawsuits, administrative proceedings, ULPs, and grievances or other forms of liability, including the amounts of dues and fees deducted and withheld as well as attorneys' fees, costs, and/or expenses associated with the above listed activities (all claims, demands, etc.) that arise against the Employer for or on account of Employer actions consistent with the provisions of this Article.

2.9 Applicability of Personnel Policy: If the CBA does not specifically address a topic, then the City of Goldendale's Personnel Policy will apply to bargaining unit members.

For example, if the broker and/or carrier provide sixty (60) calendar days of notice to the City and the notice takes three (3) calendar days to be received by the City and then the City's notice to the committee and Union takes three (3) calendar days, then the window to discuss any changes or discontinuance of present insurance plans would be approximately fifty-four (54) calendar days subject to the availability of the parties and the setting of meeting(s). ADDENDUM 18.1
TRAINING AND TRAVEL

A. GENERAL PROVISIONS:

1. **Needs of the City or Department:** The need for travel is based on the requirements of a specific job or Department. While the convenience of the employee shall be considered, the City or Department needs shall be the more important factor. Any travel outside Washington or Oregon must be pre-approved by the Mayor, or his/her designee.
2. **Cost Reimbursement Basis:** Travel expenses to out-of-City locations shall be provided on a reasonable and prudent basis as approved by the department head or designee.
3. **Sharing of Costs:** Employees attending the same function should share transportation whenever possible. If not feasible due to different departure times or dates, the most cost-effective method is to be used. If employees incur extra expenses for their own convenience; they will be required to pay for the additional costs.
4. **Travel to and from Home:** Travel to and from one's home to their regularly assigned work site is not a reimbursable travel expense.
5. **Travel Funded by Another Agency:** When an organization other than the City of Goldendale agrees to pay out-of-area travel expenses for City employees, reimbursement will be according to that organizations travel policies.
6. **Authorization for Travel:** Employees requesting authorization for travel will submit requests to their department head. Without approval by the Mayor, or his/her designee, no unauthorized travel companions are allowed in City vehicles.

B. TRAVEL EXPENSES:

1. **Advance Travel Funds:** Advance travel funds must be approved by the City Administrator prior to the issuance of an Advance Travel Check for the specific amount. The advance funds request must be documented as to exact need and cost and approved by the department head prior to presentation to the City Administrator. All of the above mentioned should be accomplished in such a time frame to allow sufficient time for a check to be issued, preferably one (1) week prior to scheduled travel
2. **Mileage Reimbursement Rate:** Whenever possible, a City vehicle should be used for travel for authorized City business. The Internal Revenue Service rate for mileage is used when City of Goldendale representatives or employees use their personal vehicles for authorized City business. The purpose of such reimbursement is to cover costs of gas; oil, maintenance, and insurance. Mileage is calculated at the IRS approved rate.
3. **Insurance Requirements:** State law requires that owners of motorized vehicles carry an established amount of liability insurance. Employees who fail to do so while using their personal vehicle for City business may have travel expenses related to the use of their personal vehicle denied.
4. **Receipts for Public Transportation:** When using public transportation, receipts are required for reimbursement. Public transportation includes, but may not be

limited to, airline, railroad, bus, taxi, and airport limousine service. Hotel transportation should be used whenever possible.

5. Airline Travel: When airline travel is required, the most economical ticket is to be purchased. It is acknowledged that airfares are frequently lower if a schedule is established to the convenience of the airline. Such schedules may result in an employee staying longer at the destination than the business trip requires. If savings can be substantiated as a result, meal and lodging expenses may be approved by the department head.
6. Parking: Receipts for parking must be included with requests for reimbursement, when available.
7. Use of City Vehicles: Employees attending training, etc., outside the City of Goldendale will make every attempt to utilize City vehicles. When utilizing City vehicles, all receipts for expenses (*i.e.*, gas, oil, etc.) will be required for reimbursement.

C. MEAL EXPENSES:

1. Meals will be reimbursed by presenting receipts and a completed Travel Expense Voucher to the Mayor or his/her designee, within ten (10) days of return. Meals may be charged on the room bill; however, meal receipts should be submitted with the hotel bill.
2. Unless otherwise approved by the department head, maximum meal rates for twenty-four (24) hours or greater should not exceed the per diem rates outlined in the Washington State Travel Rates prepared by the Office of Financial Management. If traveling less than a twenty-four (24) hour period the per-meal subsistence guidelines attached hereto (and as the same shall be updated) should be used. Reimbursement may be made for meals in excess of the above limits when the meal is part of an official business function, *i.e.*, conference banquets. Exceeding the above limits requires a written explanation. to the City Administrator in order to be considered for reimbursement.
3. The reasonable cost of meals during or in conjunction with meetings directly related to City business held either in Goldendale or at another location are allowed.
4. Receipts are required for reimbursement.

D. LODGING EXPENSES:

1. Lodging in out-of-area locations will be reimbursed at cost. As a general rule, reasonable lodging should be sought (See the Washington State Travel Rates prepared by the Office of Financial Management). In a case where the City has a contract vendor in the area, then the employee must use the vendor. Lodging should be obtained at commercial or government rates whenever possible. Receipts for lodging must be turned in at the time of the request for reimbursement. A purchase order may also be used and the City will be billed directly. The per diem rates outlined in the Washington State Travel Rates prepared by the Office of Financial Management should be used as a guideline. Exceeding the above limits requires a written explanation to the City Administrator in order to be reimbursed.

- E. REGISTRATION AND CONFERENCE FEES: Required registration and conference fees may be handled in one of three ways:
1. Where time allows, the City pays the fee directly to the conference sponsor prior to the event;
 2. A purchase order may be written to the conference sponsor and the City will be billed directly for the registration fee; or,
 3. The employee personally pays the fee and is reimbursed as part of the reimbursement request. A copy of the employees canceled personal check or a receipt and a copy of the registration form must be submitted for reimbursement.
- F. ALLOWABLE MISCELLANEOUS EXPENSES: Other allowable expenses may include but are not limited to car rentals; rental of rooms to conduct official business; charges for photocopying or other clerical requirements; business telephone calls; personal phone calls incidental to City business (*i.e.*, a call to let family know you arrived safely or will be late returning and the like, not to exceed five dollars (\$5.00) per trip), ferry tolls; and the like. Itemized receipts must be submitted for reimbursement. When questions arise about appropriate expenditure or procedure, the State travel regulations should serve as a guide. If the State regulations do not cover the questions, the Mayor or his/her designee, and/or the City Council have the authority to accept or reject claims for reimbursement.
- G. UN-REIMBURSABLE EXPENSES: Certain travel expenses are considered as personal and are not essential to the transaction of official agency business and are not reimbursable. Such unallowable expenses include but are not limited to laundry or valet service; entertainment expenses including the cost of alcoholic beverages; tobacco products; radio, television, movie or VCR rental; cost of transportation to and from places of entertainment; cost of personal trip insurance; lengthy personal use charges; cost of room service; cost of personal reading materials; barber or beauty parlor expenses; personal toilet articles; postage; medical or hospital expenses; theft, loss or damage to personal property; expenses for spouse, family or other persons not authorized to receive reimbursement; and the like.

The process of elimination will take place by way of the Employer and the Union having the right to strike two names from the list. ADDENDUM 18.1
TRAINING AND TRAVEL

A. GENERAL PROVISIONS:

1. Needs of the City or Department: The need for travel is based on the requirements of a specific job or Department. While the convenience of the employee shall be considered, the City or Department needs shall be the more important factor. Any travel outside Washington or Oregon must be pre-approved by the Mayor, or his/her designee.
2. Cost Reimbursement Basis: Travel expenses to out-of-City locations shall be provided on a reasonable and prudent basis as approved by the department head or designee.
3. Sharing of Costs: Employees attending the same function should share transportation whenever possible. If not feasible due to different departure times or dates, the most cost-effective method is to be used. If employees incur extra expenses for their own convenience; they will be required to pay for the additional costs.
4. Travel to and from Home: Travel to and from one's home to their regularly assigned work site is not a reimbursable travel expense.
5. Travel Funded by Another Agency: When an organization other than the City of Goldendale agrees to pay out-of-area travel expenses for City employees, reimbursement will be according to that organizations travel policies.
6. Authorization for Travel: Employees requesting authorization for travel will submit requests to their department head. Without approval by the Mayor, or his/her designee, no unauthorized travel companions are allowed in City vehicles.

B. TRAVEL EXPENSES:

1. Advance Travel Funds: Advance travel funds must be approved by the City Administrator prior to the issuance of an Advance Travel Check for the specific amount. The advance funds request must be documented as to exact need and cost and approved by the department head prior to presentation to the City Administrator. All of the above mentioned should be accomplished in such a time frame to allow sufficient time for a check to be issued, preferably one (1) week prior to scheduled travel
2. Mileage Reimbursement Rate: Whenever possible, a City vehicle should be used for travel for authorized City business. The Internal Revenue Service rate for mileage is used when City of Goldendale representatives or employees use their personal vehicles for authorized City business. The purpose of such reimbursement is to cover costs of gas; oil, maintenance, and insurance. Mileage is calculated at the IRS approved rate.
3. Insurance Requirements: State law requires that owners of motorized vehicles carry an established amount of liability insurance. Employees who fail to do so while using their personal vehicle for City business may have travel expenses related to the use of their personal vehicle denied.
4. Receipts for Public Transportation: When using public transportation, receipts are required for reimbursement. Public transportation includes, but may not be

limited to, airline, railroad, bus, taxi, and airport limousine service. Hotel transportation should be used whenever possible.

5. Airline Travel: When airline travel is required, the most economical ticket is to be purchased. It is acknowledged that airfares are frequently lower if a schedule is established to the convenience of the airline. Such schedules may result in an employee staying longer at the destination than the business trip requires. If savings can be substantiated as a result, meal and lodging expenses may be approved by the department head.
6. Parking: Receipts for parking must be included with requests for reimbursement, when available.
7. Use of City Vehicles: Employees attending training, etc., outside the City of Goldendale will make every attempt to utilize City vehicles. When utilizing City vehicles, all receipts for expenses (*i.e.*, gas, oil, etc.) will be required for reimbursement.

C. MEAL EXPENSES:

1. Meals will be reimbursed by presenting receipts and a completed Travel Expense Voucher to the Mayor or his/her designee, within ten (10) days of return. Meals may be charged on the room bill; however, meal receipts should be submitted with the hotel bill.
2. Unless otherwise approved by the department head, maximum meal rates for twenty-four (24) hours or greater should not exceed the per diem rates outlined in the Washington State Travel Rates prepared by the Office of Financial Management. If traveling less than a twenty-four (24) hour period the per-meal subsistence guidelines attached hereto (and as the same shall be updated) should be used. Reimbursement may be made for meals in excess of the above limits when the meal is part of an official business function, *i.e.*, conference banquets. Exceeding the above limits requires a written explanation to the City Administrator in order to be considered for reimbursement.
3. The reasonable cost of meals during or in conjunction with meetings directly related to City business held either in Goldendale or at another location are allowed.
4. Receipts are required for reimbursement.

D. LODGING EXPENSES:

1. Lodging in out-of-area locations will be reimbursed at cost. As a general rule, reasonable lodging should be sought (See the Washington State Travel Rates prepared by the Office of Financial Management). In a case where the City has a contract vendor in the area, then the employee must use the vendor. Lodging should be obtained at commercial or government rates whenever possible. Receipts for lodging must be turned in at the time of the request for reimbursement. A purchase order may also be used and the City will be billed directly. The per diem rates outlined in the Washington State Travel Rates prepared by the Office of Financial Management should be used as a guideline. Exceeding the above limits requires a written explanation to the City Administrator in order to be reimbursed.

- E. REGISTRATION AND CONFERENCE FEES: Required registration and conference fees may be handled in one of three ways:
1. Where time allows, the City pays the fee directly to the conference sponsor prior to the event;
 2. A purchase order may be written to the conference sponsor and the City will be billed directly for the registration fee; or,
 3. The employee personally pays the fee and is reimbursed as part of the reimbursement request. A copy of the employees canceled personal check or a receipt and a copy of the registration form must be submitted for reimbursement.
- F. ALLOWABLE MISCELLANEOUS EXPENSES: Other allowable expenses may include but are not limited to car rentals; rental of rooms to conduct official business; charges for photocopying or other clerical requirements; business telephone calls; personal phone calls incidental to City business (*i.e.*, a call to let family know you arrived safely or will be late returning and the like, not to exceed five dollars (\$5.00) per trip), ferry tolls; and the like. Itemized receipts must be submitted for reimbursement. When questions arise about appropriate expenditure or procedure, the State travel regulations should serve as a guide. If the State regulations do not cover the questions, the Mayor or his/her designee, and/or the City Council have the authority to accept or reject claims for reimbursement.
- G. UN-REIMBURSABLE EXPENSES: Certain travel expenses are considered as personal and are not essential to the transaction of official agency business and are not reimbursable. Such unallowable expenses include but are not limited to laundry or valet service; entertainment expenses including the cost of alcoholic beverages; tobacco products; radio, television, movie or VCR rental; cost of transportation to and from places of entertainment; cost of personal trip insurance; lengthy personal use charges; cost of room service; cost of personal reading materials; barber or beauty parlor expenses; personal toilet articles; postage; medical or hospital expenses; theft, loss or damage to personal property; expenses for spouse, family or other persons not authorized to receive reimbursement; and the like.

 - (4) If subsection (1) above is met and subsection (2) above is not met, then the City will only buy down the vacation leave balance in an amount equal to the additional hours taken in subsection (2) above up to forty (40) hours;
 - (5) Any vacation balance not taken or brought down as outlined in subsections (1), (2) and (4) cannot be carried over except as noted in subsection (c), (d) and (e) below. For example, an employee must use all of their vacation leave accrued in any one (1) year and in addition use an additional forty (40) hours. Assuming the employee uses all of their yearly accrued leave and uses an additional forty (40) hours of leave, the City will buy down an additional forty (40) hours. If, however, the employee uses all of their yearly accrued leave and only uses thirty (30) hours, then the City will only buy down an additional thirty (30) hours. In this second case, a total of twenty (20) hours would not be carried over to the next year.
 - (6) The buy down provision outlined in subsection (3) above will be added to the final paycheck of the year.
 - (7) The Employer's determinations regarding the above provisions shall be final and binding on the parties.

NOTE: The parties understand and agree that everyone, including the Chief, Assistant Chief, Sergeant and police officers, will need to work shifts and work together to help bring down the vacation accruals to the two hundred forty (240) hour maximum over the course of the next several years.

- (c) In addition, the parties have acknowledged that there are a few employees who have accumulated so much vacation leave that the provisions of section (b) above will not be sufficient to bring their vacation leave balance below two hundred forty (240) hours during the term of this agreement. Therefore, the provisions of section (b) above will continue for those employees through the successive years until they reach the two hundred forty (240) hour carryover limit. In the case of these few employees who have significant accumulations, if at the end of 2009 they still have a few hours (not more than fifteen (15) hours), then the above use-and-buy down provisions in (b) above will continue for 2010.
- (d) Vacation leave over the maximum accumulation cannot be carried over unless the department head, with the concurrence of the City Administrator, has acknowledged in writing that the employee could not be released to take the requested vacation leave and only if the Employer determines that the provisions of subsection (e) below will be applied.
- (e) If the department head, with concurrence of the City Administrator, determines that it is in the best interest of the Employer and its operations to provide compensation for the additional accrual of vacation leave above two-hundred and forty (240) hours, the Employer may, on a case-by-case basis, determine whether to authorize the additional vacation carryover balance or provide compensation in lieu of forfeiture or neither, in the sole discretion of the Employer. This allowance, if approved by the Employer, is limited to forty (40) hours and the balance beyond the forty (40) hours shall be forfeited. The exercise of this determination is on a case-by-case basis and shall not be used as any type of precedent with regard to the allowance of compensation or additional time off carryover for vacation leave in excess of two hundred forty (240) hours.

15.10 Vacation Buy Back program: The Employer would implement a vacation buy back program ~~where~~ where the employee could sell back to the city ~~a maximum of up to 1/3 of forty (40) hours of their accrued vacation for any hours over two hundred forty (240) hours, leave within a twelve (12) month calendar year.~~ The decision to exercise this option the Employee shall request the vacation buy back prior to December 1st of the year in which the Employee is requesting. The Employer will pay the Employee their vacation pay out ~~within the first ten (10) days of~~

December on the December 10th check.

Formatted: Superscript

~~Example: A 10-year employee accrues 13.67 hrs per month at 165 hours per year. 165 hours vacation leave @ 1/3 (.333) would equal 55 hours of vacation time payable to you at your current hourly rate.~~

ADDENDUM 18.1
TRAINING AND TRAVEL

A. GENERAL PROVISIONS:

1. **Needs of the City or Department:** The need for travel is based on the requirements of a specific job or Department. While the convenience of the employee shall be considered, the City or Department needs shall be the more important factor. Any travel outside Washington or Oregon must be pre-approved by the Mayor, or his/her designee.
2. **Cost Reimbursement Basis:** Travel expenses to out-of-City locations shall be provided on a reasonable and prudent basis as approved by the Department Head or designee.
3. **Sharing of Costs:** Employees attending the same function should share transportation whenever possible. If not feasible due to different departure times or dates, the most cost-effective method is to be used. If employees incur extra expenses for their own convenience, they will be required to pay for the additional costs.
4. **Travel To and From Home:** Travel to and from one's home to their regularly assigned work site is not a reimbursable travel expense.
5. **Travel Funded by Another Agency:** When an organization other than the City of Goldendale agrees to pay out-of-area travel expenses for City employees, reimbursement will be according to that organization's travel policies.
6. **Authorization for Travel:** Employees requesting authorization for travel will submit requests to their Department Head. Without approval by the Mayor, or his/her designee, no unauthorized travel companions are allowed in City vehicles.

B. TRAVEL EXPENSES:

1. Advance Travel Funds: Advance travel funds must be approved by the City Administrator prior to the issuance of an Advance Travel Check for the specific amount. The advance funds request must be documented as to exact need and cost and approved by the Department Head prior to presentation to the City Administrator. All of the above mentioned should be accomplished in such a time frame to allow sufficient time for a check to be issued, preferably one (1) week prior to scheduled travel
2. Mileage Reimbursement Rate: Whenever possible, a city vehicle should be used for travel for authorized City business. The Internal Revenue Service rate for mileage is used when City of Goldendale representatives or employees use their personal vehicles for authorized City business. The purpose of such reimbursement is to cover costs of gas, oil, maintenance, and insurance. Mileage is calculated at the IRS approved rate.
3. Insurance Requirements: State law requires that owners of motorized vehicles carry an established amount of liability insurance. Employees who fail to do so while using their personal vehicle for City business may have travel expenses related to the use of their personal vehicle denied.
4. Receipts for Public Transportation: When using public transportation, receipts are required for reimbursement. Public transportation includes, but may not be limited to, airline, railroad, bus, taxi and airport limousine service. Hotel transportation should be used whenever possible.
5. Airline Travel: When airline travel is required, the most economical ticket is to be purchased. It is acknowledged that airfares are frequently lower if a schedule is established to the convenience of the airline. Such schedules may result in an employee staying longer at the destination than the business trip requires. If savings can be substantiated as a result, meal and lodging expenses may be approved by the Department Head.
6. Parking: Receipts for parking must be included with requests for reimbursement, when available.
7. Use of City Vehicles: Employees attending training, etc., outside the City of Goldendale will make every attempt to utilize City vehicles. When utilizing City vehicles, all receipts for expenses (i.e., gas, oil, etc.) will be required for reimbursement.

C. **MEAL EXPENSES:**

1. Meals will be reimbursed by presenting receipts and a completed Travel Expense Voucher to the Mayor, or his/her designee, within ten (10) days of return. Meals may be charged on the room bill; however, meal receipts should be submitted with the hotel bill.
2. Unless otherwise approved by the Department Head, maximum meal rates for twenty-four (24) hours or greater should not exceed the per diem rates outlined in the Washington State Travel Rates prepared by the Office of Financial Management. If traveling less than a twenty-four (24) hour period the per meal subsistence guidelines attached hereto (and as the same shall be updated) should be used. Reimbursement may be made for meals in excess of the above limits when the meal is part of an official business function, *i.e.*, conference banquets. Exceeding the above limits requires a written explanation to the City Administrator in order to be considered for reimbursement.
3. The reasonable cost of meals during or in conjunction with meetings directly related to City business held either in Goldendale or at another location is allowed.
4. Receipts are required for reimbursement.

D. **LODGING EXPENSES:**

1. Lodging in out-of-area locations will be reimbursed at cost. As a general rule, reasonable lodging should be sought (See the Washington State Travel Rates prepared by the Office of Financial Management). In a case where the City has a contract vendor in the area, then the employee must use the vendor. Lodging should be obtained at commercial or government rates whenever possible. Receipts for lodging must be turned in at the time of the request for reimbursement. A purchase order may also be used and the City will be billed directly. The per diem rates outlined in the Washington State Travel Rates prepared by the Office of Financial Management should be used as a guideline. Exceeding the above limits requires a written explanation to the City Administrator in order to be reimbursed.

E. **REGISTRATION AND CONFERENCE FEES:** Required registration and conference fees may be handled in one of three ways:

1. Where time allows, the City pays the fee directly to the conference sponsor prior to the event;
2. A purchase order may be written to the conference sponsor and the City will be billed directly for the registration fee; or,
3. The employee personally pays the fee and is reimbursed as part of the reimbursement request. A copy of the employees canceled personal check or a receipt and a copy of the registration form must be submitted for reimbursement.

F. **ALLOWABLE MISCELLANEOUS EXPENSES:** Other allowable expenses may include but are not limited to car rentals; rental of rooms to conduct official business; charges for photocopying or other clerical requirements; business telephone calls; personal phone calls incidental to City business (*i.e.*, a call to let family know you arrived safely or will be late returning and the like, not to exceed five dollars (\$5.00) per trip), ferry tolls; and the like. Itemized receipts must be submitted for reimbursement. When questions arise about appropriate expenditure or procedure, the State travel regulations should serve as a guide. If the State regulations do not cover the questions, the Mayor or his/her designee, and/or the City Council has the authority to accept or reject claims for reimbursement.

G. **UN-REIMBURSABLE EXPENSES:** Certain travel expenses are considered as personal and are not essential to the transaction of official agency business and are not reimbursable. Such unallowable expenses include but are not limited to laundry or valet service; entertainment expenses including the cost of alcoholic beverages; tobacco products; radio, television, movie or VCR rental; cost of transportation to and from places of entertainment; cost of personal trip insurance; lengthy personal use charges; cost of room service; cost of personal reading materials; barber or beauty parlor expenses; personal toilet articles; postage; medical or hospital expenses; theft, loss or damage to personal property; expenses for spouse, family or other persons not authorized to receive reimbursement; and the like.

ARTICLE I - PREAMBLE

1.1 This Collectively Bargained Agreement hereinafter referred to as the "CBA" is between the City of Goldendale, hereinafter referred to as the "Employer," or "City" and Goldendale Police Officers Association, representing Law Enforcement Officers in the Police Department, hereinafter referred to as the "Association."

1.2 The purpose of the Employer and Association in entering into this CBA is to set forth their entire CBA with regard to wages, hours and working conditions so as to promote efficient operations; the morale and security of employees covered by this CBA; and harmonious relations giving full recognition to the rights and responsibilities of the Employer, the Association and the employees.

ARTICLE II - RECOGNITION AND CHECK OFF

2.1 **Exclusive Bargaining Agent:** The City CBA recognizes the Association as the sole and exclusive bargaining agent for all regular full-time and regular part-time law enforcement officers as certified by the Public Employment Relations Commission (PERC) on April 30, 2025, Case #141610-E-25 excluding the police chief, supervisors, confidential employees, and all other employees.

2.2 **Recognition of Goldendale Police Officers Association:** The Employer recognizes the GOLDENDALE POLICE OFFICERS ASSOCIATION (Association) as the sole and exclusive bargaining representative concerning wages, hours, and other conditions of employment for employees described in the recognition clause.

2.3 **Joining the Association:** All employees in this bargaining unit have the right to voluntarily join the Association. The Association as the Exclusive Bargaining Representative agrees to carry out its responsibilities under RCW 42.56.080.

2.4 **Questions about Association Membership:** If an Employee has questions about Association membership, the Employer will remain neutral and direct the employee to discuss this topic with a Association Staff Representative. The Association's Staff Representative shall address the employees' inquiry as soon as possible.

2.5 **Signed Dues Deduction Authorization:** Current Association members and those who choose to join the Association Group and pay monthly dues via a signed payroll deduction authorization will have their dues deducted once each month from their pay by the Employer. The signed payroll deduction authorization may be submitted electronically or by paper writing. The deduction will begin in the payroll period after submission of the due's deduction authorization card or as soon as administratively possible if not submitted with enough time to make the next payroll period.

2.6 **Amounts Deducted:** The amounts to be deducted shall be certified to the Employer

by the Association and the aggregate deductions shall be remitted to the Association together with an itemized statement including the employee name, department, hours worked, monthly base wage and the amount of Association dues deducted, after such deductions are made. If an employee terminates his/her employment on or before the 15th of the month, dues will not be deducted for that month; if the termination is after the 15th, dues will be deducted. The Employer shall honor the terms and conditions of each employee's authorization for payroll deduction. The Employer shall continue to deduct and remit Association dues and fees to the Association until such time as the Association notifies the Employer that the payroll deduction authorization has been properly terminated in compliance with the terms of the authorization for payroll deduction executed by the employee. The Employer is not a party to the authorization for payroll deduction as that is between the employee and the Association.

2.7 New Employee Orientation: These provisions shall be carried out in conformity with RCW 41.56.037. The Employer will provide the Association with information about new hires within a reasonable period of time from the date of hire. An Association official shall be granted up to thirty minutes to provide each new employee a basic overview of the employees' rights and responsibilities regarding Association membership and dues authorizations.

2.8 Defense, Hold Harmless and Indemnification: In regards to all the provisions of this Article, the Association agrees to defend, indemnify and hold harmless the Employer from any and all claims, demands, lawsuits, administrative proceedings, ULPs, and grievances or other forms of liability, including the amounts of dues and fees deducted and withheld as well as attorneys' fees, costs, and/or expenses associated with the above listed activities (all claims, demands, etc.) that arise against the Employer for or on account of Employer actions consistent with the provisions of this Article.

2.9 Applicability of Personnel Policy: If the CBA does not specifically address a subject matter, then the City of Goldendale's Personnel Policies will apply to bargaining unit members.

2.10 Personnel Policies Changes: During the term of this CBA, if the City Council decides to modify the personnel policies referenced in 2.4 above which would change the wages, hours, or working conditions addressed in the personnel policies of Employees covered by this CBA, then the City agrees to negotiate about the changes including negotiations subsequent to implementation if necessary.

ARTICLE III - NONDISCRIMINATION

3.1 Nondiscrimination: It is mutually agreed that there shall be no discrimination because of lawful Association activity, Association membership, race, creed, color, religion, sex, age, marital status, national origin or physical, mental or sensory handicaps that do not prevent proper performance of the job, unless based upon a bona fide occupational qualification. The Association and Employer representatives shall work

cooperatively to assure the achievement of equal employment opportunity. Furthermore, employees who feel they have been discriminated against shall be encouraged to use the Grievance Procedure set under this CBA prior to seeking relief through other channels.

ARTICLE XV - VACATION / ANNUAL LEAVE

15.1 **Vacation Accrual:**

- (a) Earned vacation leave is paid leave. Effective January 1, 2022, vacation leave shall accrue in accordance with the following schedule:

Months of Completed Service	Monthly Accrual Rate in Hours	Yearly Rate in Hours Per Year
DOH-24	8.00	96
25-60	10.00	120
61-108	12.00	144
109-168	14.00	168
169-240	16.00	192
241 and over	20.00	240

- (b) The philosophy behind annual leave is to allow the employees time away from the workplace for rest and relaxation, so that upon their return to that workplace, they are refreshed and able to perform to their optimum.

15.2 **Accrual Onset:** Upon satisfactory completion of six (6) months' employment, the employee shall be credited with five (5) vacation leave days. Employees shall be notified of accumulated vacation leave on a regular basis.

15.3 **Accrual Regular Part-Time:** Annual leave with pay computed at the same rate according to the time actually worked shall also be allowed to regular part-time employees who are employed on a regular basis. Accrual shall be on a continuing non-annual basis.

15.4 **Accrual Earned:** Vacation leave accrues on a bi-monthly basis. Vacation leave is, however, not available for use until earned and posted to the employee's accrued vacation leave following the end of the current pay period. Employees are responsible to monitor their accrual balance to avoid shortfalls or excesses.

15.5 **Choice of Annual Leave:** To the extent possible, annual leave shall be granted at the time requested by the employee. If the nature of work makes it necessary to limit the number of employees on vacation at the same time, the department head shall make a determination as to which employees are permitted their annual leave. A senior employee shall have preference except they shall not bump a junior employee if said junior employee has first applied and received approval for the use of their annual leave.

15.6 **Work During Vacation Period:** Any employee who is requested to and does work

during their vacation period shall be paid for regular hours at the rate of time and one-half (1½) their regular rate and shall retain their unused annual leave for use at a later date. Employees shall be subject to call back during vacation periods.

15.7 Vacation Rights: Vacation rights in case of lay-off or separation. Any employee who is laid off, discharged, retired or separated from the service of the Employer for any reason, prior to taking their vacation shall be compensated in cash for the unused vacation they have accumulated at the time of separation.

15.8 Vacation Rights (Entry Level Officer Only): At the discretion of the Chief of Police, vacation time may be granted before the end of the probation period.

15.9 Maximum Vacation Carryover/Exception/Payout:

- (a) For those employees who, as of December 31, 2006, have an accumulated leave balance of less than two hundred forty (240) hours, the maximum number of vacation leave hours which may be carried over from December 31st of one year to January 1st of the next year is two hundred forty (240) hours. There cannot be accrued vacation leave in excess of two hundred forty (240) hours carried over except as subject to the provisions of subsections (d) and (e) below. If the Employer determines that neither (d) and/or (e) below will be granted, then the excess leave shall be forfeited.
- (b) For those employees who have an accumulation of vacation leave in excess of two hundred forty (240) hours as of January 1, 2007, the following approach shall be implemented:
 - (1) First, the employee must use their normal vacation leave accruals in the year;
 - (2) Second, the employee must use an additional forty (40) hours of accrued vacation leave;
 - (3) If subsections (1) and (2) above are met, then the City will buy down up to forty (40) additional hours from the employee's vacation leave bank;
 - (4) If subsection (1) above is met and subsection (2) above is not met, then the City will only buy down the vacation leave balance in an amount equal to the additional hours taken in subsection (2) above up to forty (40) hours;
 - (5) Any vacation balance not taken or brought down as outlined in

subsections (1), (2) and (4) cannot be carried over except as noted in subsection (c), (d) and (e) below. For example, an employee must use all of their vacation leave accrued in any one (1) year and in addition use an additional forty (40) hours. Assuming the employee uses all of their yearly accrued leave and uses an additional forty (40) hours of leave, the City will buy down an additional forty (40) hours. If, however, the employee uses all of their yearly accrued leave and only uses thirty (30) hours, then the City will only buy down an additional thirty (30) hours. In this second case, a total of twenty (20) hours would not be carried over to the next year.

- (6) The buy down provision outlined in subsection (3) above will be added to the final paycheck of the year.
- (7) The Employer's determinations regarding the above provisions shall be final and binding on the parties.

NOTE: The parties understand and agree that everyone, including the Chief, Assistant Chief, Sergeant and police officers, will need to work shifts and work together to bring help bring down the vacation accruals to the two hundred forty (240) hour maximum over the course of the next several years.

- (c) In addition, the parties have acknowledged that there are a few employees who have accumulated so much vacation leave that the provisions of section (b) above will not be sufficient to bring their vacation leave balance below two hundred forty (240) hours during the term of this agreement. Therefore, the provisions of section (b) above will continue for those employees through the successive years until they reach the two hundred forty (240) hour carryover limit. In the case of these few employees who have significant accumulations, if at the end of 2009 they still have a few hours (not more than fifteen (15) hours), then the above use-and-buy down provisions in (b) above will continue for 2010.

balance or provide compensation in lieu of forfeiture or neither, in the sole discretion of the Employer. ADDENDUM 18.1
TRAINING AND TRAVEL

A. GENERAL PROVISIONS:

1. Needs of the City or Department: The need for travel is based on the requirements of a specific job or Department. While the convenience of the employee shall be considered, the City or Department needs shall be the more important factor. Any travel outside Washington or Oregon must be pre-approved by the Mayor, or his/her designee.
2. Cost Reimbursement Basis: Travel expenses to out-of-City locations shall be provided on a reasonable and prudent basis as approved by the Department Head or designee.
3. Sharing of Costs: Employees attending the same function should share transportation whenever possible. If not feasible due to different departure times or dates, the most cost-effective method is to be used. If employees incur extra expenses for their own convenience, they will be required to pay for the additional costs.
4. Travel To and From Home: Travel to and from one's home to their regularly assigned work site is not a reimbursable travel expense.
5. Travel Funded by Another Agency: When an organization other than the City of Goldendale agrees to pay out-of-area travel expenses for City employees, reimbursement will be according to that organization's travel policies.
6. Authorization for Travel: Employees requesting authorization for travel will submit requests to their Department Head. Without approval by the Mayor, or his/her designee, no unauthorized travel companions are allowed in City vehicles.

B. TRAVEL EXPENSES:

1. Advance Travel Funds: Advance travel funds must be approved by the Clerk Treasurer prior to the issuance of an Advance Travel Check for the specific amount. The advance funds request must be documented as to exact need and cost and approved by the Department Head prior to presentation to the Clerk Treasurer. All of the above mentioned should be accomplished in such a time frame to allow sufficient time for a check to be issued, preferably one (1) week prior to scheduled travel
2. Mileage Reimbursement Rate: Whenever possible, a city vehicle should be used for travel for authorized City business. The Internal Revenue Service rate for mileage is used when City of Goldendale representatives or employees use their personal vehicles for authorized City business. The purpose of such reimbursement is to cover costs of gas, oil, maintenance, and insurance. Mileage is calculated at the IRS approved rate.
3. Insurance Requirements: State law requires that owners of motorized vehicles carry an established amount of liability insurance. Employees who fail to do so while using their personal vehicle for City business may have travel expenses related to the use of their personal vehicle denied.
4. Receipts for Public Transportation: When using public transportation, receipts are required for reimbursement. Public transportation includes, but may not be limited to, airline, railroad, bus, taxi and airport limousine service. Hotel transportation should be used whenever possible.
5. Airline Travel: When airline travel is required, the most economical ticket is to be purchased. It is acknowledged that airfares are frequently lower if a schedule is established to the convenience of the airline. Such schedules may result in an employee staying longer at the destination than the business trip requires. If savings can be substantiated as a result, meal and lodging expenses may be approved by the Department Head.
6. Parking: Receipts for parking must be included with requests for reimbursement, when available.
7. Use of City Vehicles: Employees attending training, etc., outside the City of Goldendale will make every attempt to utilize City vehicles. When utilizing City vehicles, all receipts for expenses (i.e., gas, oil, etc.) will be required for reimbursement.

C. MEAL EXPENSES:

1. Meals will be reimbursed by presenting receipts and a completed Travel Expense Voucher to the Mayor, or his/her designee, within ten (10) days of return. Meals may be charged on the room bill; however, meal receipts should be submitted with the hotel bill.
2. Unless otherwise approved by the Department Head, maximum meal rates for twenty-four (24) hours or greater should not exceed the per diem rates outlined in the Washington State Travel Rates prepared by the Office of Financial Management. If traveling less than a twenty-four (24) hour period the per meal subsistence guidelines attached hereto (and as the same shall be updated) should be used. Reimbursement may be made for meals in excess of the above limits when the meal is part of an official business function, *i.e.*, conference banquets. Exceeding the above limits requires a written explanation to the City Administrator in order to be considered for reimbursement.
3. The reasonable cost of meals during or in conjunction with meetings directly related to City business held either in Goldendale or at another location is allowed.
4. Receipts are required for reimbursement.

D. LODGING EXPENSES:

1. Lodging in out-of-area locations will be reimbursed at cost. As a general rule, reasonable lodging should be sought (See the Washington State Travel Rates prepared by the Office of Financial Management). In a case where the City has a contract vendor in the area, then the employee must use the vendor. Lodging should be obtained at commercial or government rates whenever possible. Receipts for lodging must be turned in at the time of the request for reimbursement. A purchase order may also be used and the City will be billed directly. The per diem rates outlined in the Washington State Travel Rates prepared by the Office of Financial Management should be used as a guideline. Exceeding the above limits requires a written explanation to the Clerk Treasurer in order to be reimbursed.

E. **REGISTRATION AND CONFERENCE FEES:** Required registration and conference fees may be handled in one of three ways:

1. Where time allows, the City pays the fee directly to the conference sponsor prior to the event;
2. A purchase order may be written to the conference sponsor and the City will be billed directly for the registration fee; or,
3. The employee personally pays the fee and is reimbursed as part of the reimbursement request. A copy of the employees canceled personal check or a receipt and a copy of the registration form must be submitted for reimbursement.

F. **ALLOWABLE MISCELLANEOUS EXPENSES:** Other allowable expenses may include but are not limited to car rentals; rental of rooms to conduct official business; charges for photocopying or other clerical requirements; business telephone calls; personal phone calls incidental to City business (*i.e.*, a call to let family know you arrived safely or will be late returning and the like, not to exceed five dollars (\$5.00) per trip), ferry tolls; and the like. Itemized receipts must be submitted for reimbursement. When questions arise about appropriate expenditure or procedure, the State travel regulations should serve as a guide. If the State regulations do not cover the questions, the Mayor or his/her designee, and/or the City Council has the authority to accept or reject claims for reimbursement.

G. **UN-REIMBURSABLE EXPENSES:** Certain travel expenses are considered as personal and are not essential to the transaction of official agency business and are not reimbursable. Such unallowable expenses include but are not limited to laundry or valet service; entertainment expenses including the cost of alcoholic beverages; tobacco products; radio, television, movie rental; cost of transportation to and from places of entertainment; cost of personal trip insurance; lengthy personal use charges; cost of room service; cost of personal reading materials; barber or beauty parlor expenses; personal toilet articles; postage; medical or hospital expenses; theft, loss or damage to personal property; expenses for spouse, family or other persons not authorized to receive reimbursement; and the like.
