PRESENTATIONS

1. Mid-Columbia Housing Authority – Karen Long from Mid-Columbia Housing Authority described the agency's mission, programs, and local impact. Karen reviewed homeownership support such as counseling and limited down-payment assistance.

Council Member Theone Wheeler – There is a persistent problem where moderate-income residents fall between qualifying thresholds for low-income programs and market-rate housing leading to unmet needs

Council Member Nathaniel Hill – Inquired about which committee would be best suited to further discuss this issue

Mayor Dave Jones – We can form a non-permanent committee to explore land and partnerships for community housing projects

DEPARTMENT REPORTS

Fire Chief Noah Halm – The Fire Department received a DNR grant of about \$16,000.00 to purchase equipment for the Humvee

Police Chief Mike Smith – Derek Gimlin is our new hire who will start on the 16th and will ride with current officers until attending the academy

Mayor Dave Jones – The critical areas ordinance is ahead of schedule and will be reviewed by the Ordinance Committee on Wednesday prior to council consideration.

Council Member Steve Johnston – We could combine the data from the critical area, floodplain, and fire abatement studies to produce more actionable mitigation data for the creek corridor

COUNCIL BUSINESS

1. Capital Outlay for Patrol Vehicle - Chief Smith explained a recent lost sale while waiting for Council approval. He discussed significant additional outfitting costs and the possibility of transferring salvageable equipment from decommissioned vehicles where compatible.

Council Member Nathaniel Hill – It might be beneficial with the cost of vehicles to take this to the Ordinance Committee to increase the amount to \$60,000.00 so this doesn't happen again
